Usage Tips

For Midjourney:

Paste prompts as-is, add --v 6 or your preferred version

For DALL-E 3:

Remove aspect ratio tags (--ar), works great with full prompts

For Leonardo AI:

Remove aspect ratio tags, prompts work beautifully

For ChatGPT (DALL-E):

Use the descriptive portion without technical tags

Pro Tips for Etsy Sellers

1. Batch create: Generate 5-10 variations of each mockup with different products
2. Consistent style: Use the same lighting/style across your shop for brand cohesion
3. A/B test: Try different mockup styles to see what converts best
4. Seasonal updates: Refresh mockups quarterly for holidays and trends

Pack created for commercial use. Modify prompts to match your specific products.
