Free AI Engines Edition

25 AI Image Prompts Optimized for Free AI Tools

Works with Leonardo AI (Free Tier), Bing Image Creator, and other free AI image generators.

Introduction

This special edition prompt pack is designed specifically for free AI image generation tools. While these prompts work with any AI tool, they've been optimized for:

- **Leonardo AI (Free Tier - 150 tokens/day)**
- **Bing Image Creator (Powered by DALL-E 3)**
- **Playground AI (Free tier available)**
- **Adobe Firefly (Free credits)**

These prompts exclude technical parameters that free tools don't support, focusing on descriptive language that gets great results from any AI image generator.

Jewelry & Accessories

1. Delicate Gold Necklace

Professional product photography of a delicate gold pendant necklace displayed on a white ceramic jewelry bust, soft natural window light from the left, clean white background, subtle shadow, high-end jewelry catalog style, sharp focus on chain details

2. Bohemian Bracelet Stack

Lifestyle product photo of three to four stacked bohemian beaded bracelets on a woman's wrist, she is holding a coffee cup, cozy morning light, warm neutral tones, blurred cafe background, Instagram-worthy aesthetic, shallow depth of field

3. Statement Earrings Flat Lay

Elegant flat lay of handmade polymer clay statement earrings arranged on white marble surface, surrounded by dried eucalyptus leaves and small pebbles, soft diffused overhead lighting, minimalist luxury aesthetic, Pinterest-style product photography

Home Decor

4. Boho Throw Pillow

Cozy living room scene with a boho-patterned throw pillow on a beige linen sofa, natural afternoon sunlight streaming through window, knitted blanket draped nearby, pampas grass in ceramic vase, warm earthy color palette, lifestyle interior photography

5. Botanical Wall Art

Modern entryway with three framed botanical prints hung above a light oak console table, small potted plant and ceramic bowl on table, soft neutral wall color, natural light from adjacent room, Scandinavian minimalist interior style

6. Ambient Soy Candles

Moody bedroom product shot of handmade soy candles in amber glass jars on white nightstand, soft evening light from bedside lamp, open book and reading glasses nearby, cozy hygge atmosphere, warm golden tones

Stationery & Paper Goods

7. Wedding Invitation Suite

Elegant wedding stationery flat lay featuring invitation card, RSVP card, and envelope on white textured paper background, silk ribbon in dusty rose, dried flower sprigs, wax seal stamp, soft natural lighting from above, romantic fine art photography style

8. Productivity Planner

Overhead shot of open weekly planner on wooden desk, aesthetic washi tape, colorful gel pens, small succulent plant, cup of tea, morning light from window, organized productivity aesthetic, Instagram planner community style

9. Artisan Greeting Cards

Collection of illustrated greeting cards fanned out on light wood surface, surrounded by postage stamps, vintage stamps, twine, and dried flowers, bright cheerful lighting, craft fair display aesthetic, handmade artisan feel

Usage Tips for Free AI Tools

Leonardo AI: These prompts work great with Leonardo's free tier. You get 150 tokens per day, which is enough for approximately 15-30 images depending on the model you choose.

Bing Image Creator: Powered by DALL-E 3, completely free with a Microsoft account. These descriptive prompts work perfectly with Bing's interface.

Playground AI: Free tier available with daily credits. These prompts are optimized for their photorealistic and artistic models.

Adobe Firefly: Free credits available monthly. These prompts work well with Firefly's commercial-safe image generation.

Pro Tips:

- Remove any aspect ratio instructions when using free tools
- Add "product photography" or "lifestyle photo" to the beginning for better results
- Experiment with different free tools to find your favorite style
- Save your favorite prompts for quick access
