

Etsy Product Mockup Prompt Pack " FREE AI Engines Edition ## 25 AI Image Prompts Optimized for ChatGPT & Gemini *No aspect ratios. No technical tags. Just pure descriptive power.* --- ### Jewelry & Accessories **1. Necklace on Minimalist Bust** Professional product photography of a delicate gold pendant necklace displayed on a white ceramic jewelry bust. Soft natural window light coming from the left side creates gentle shadows. Clean white background with subtle shadow beneath. High-end jewelry catalog style with sharp focus on chain details. Crisp, clean, luxury aesthetic. **2. Stacked Bracelets Lifestyle Shot** Lifestyle product photo of three to four stacked bohemian beaded bracelets on a woman's wrist. She is holding a coffee cup in a cozy cafe setting. Warm morning light creates a comfortable atmosphere. Neutral earth tones throughout. Blurred cafe background. Instagram-worthy aesthetic with shallow depth of field focusing on the bracelets. **3. Earring Display on Marble** Elegant flat lay of handmade polymer clay statement earrings arranged on a white marble surface. Dried eucalyptus leaves and small pebbles scattered artistically around the earrings. Soft diffused overhead lighting creates even illumination. Minimalist luxury aesthetic perfect for Pinterest. Clean, bright, sophisticated styling. --- ### Home Decor **4. Throw Pillow on Linen Sofa** Cozy living room scene featuring a boho-patterned throw pillow on a beige linen sofa. Natural afternoon sunlight streams through a nearby window. Knitted blanket draped casually nearby. Pampas grass in a ceramic vase on a side table. Warm earthy color palette throughout. Lifestyle interior photography that feels inviting and lived-in. **5. Wall Art Above Console Table** Modern entryway with three framed botanical prints hung in a row above a light oak console table. Small potted plant and ceramic bowl arranged on the table surface. Soft neutral wall color in warm white or cream. Natural light filtering in from an adjacent room. Scandinavian minimalist interior style with clean lines and natural materials. **6. Candles on Bedside Table** Moody bedroom product shot of handmade soy candles in amber glass jars placed on a white nightstand. Soft evening light from a bedside lamp creates warm glow. Open book and reading glasses nearby suggest relaxation. Cozy hygge atmosphere with warm golden tones throughout the scene. --- ### Stationery & Paper Goods **7. Wedding Invitation Suite Flat Lay** Elegant wedding stationery flat lay featuring an invitation card, RSVP card, and matching envelope arranged on white textured paper background. Silk ribbon in dusty rose color draped artistically. Dried flower sprigs and a wax seal stamp add finishing touches. Soft natural lighting from above creates romantic fine art photography style. **8. Planner Spread Lifestyle** Overhead shot of an open weekly planner on a wooden desk. Aesthetic washi tape in coordinating colors, colorful gel pens, and a small succulent plant arranged around the planner. Cup of tea sits nearby. Morning light streams in from a window creating an organized productivity aesthetic popular in the Instagram planner community. **9. Greeting Cards with Props** Collection of illustrated greeting cards fanned out on a light wood surface. Vintage postage stamps, twine, and dried flowers scattered around the cards. Bright cheerful lighting creates a craft fair display aesthetic. Handmade artisan feel with attention to detail and texture. --- ### Clothing & Apparel **10. T-Shirt on Hanger** Clean product shot of a vintage-style graphic t-shirt hanging on a wooden hanger against a white brick wall. Natural daylight creates soft shadows. Casual lifestyle photography with streetwear aesthetic. Front view showing the full design clearly. Simple, modern, wearable presentation. **11. Sweater Folded Stack** Cozy folded stack of three chunky knit sweaters in neutral tones including cream, taupe, and sage green. The top sweater is slightly unfolded to show texture and detail. Arranged on a white marble surface. Soft overhead lighting creates a minimalist clothing brand aesthetic that feels premium and tactile. **12. Tote Bag Lifestyle Shot** Canvas tote bag with screen-printed design carried by a woman walking through a farmers market. Fresh produce peeks out from the top of the bag. Sunny day with candid lifestyle photography style. Eco-friendly sustainable living aesthetic with blurred market background creating depth. --- ### Digital Art Prints **13. Nursery Art in Frame** Sweet nursery interior with whimsical animal art print in a white wooden frame hung above a white crib. Soft pastel color scheme with gentle pinks, blues, or yellows. Natural morning light fills the room. Stuffed animals and baby mobile visible in the background. Dreamy children's room photography that feels peaceful and nurturing. **14. Kitchen Print Collection** Gallery wall of three vintage-style kitchen prints in matching black frames hung above a white subway tile backsplash. Fresh herbs in small pots on the counter below. Warm under-cabinet lighting creates ambiance. Farmhouse kitchen aesthetic with cozy domestic atmosphere. **15. Quote Art on Desk** Motivational quote art print in a thin gold frame placed on a white desk. Laptop and coffee cup nearby suggest a workspace. Monstera plant in the corner adds greenery. Bright home office lighting creates a modern workspace aesthetic perfect for productivity inspiration. --- ### Craft Supplies & Handmade Goods **16. Polymer Clay Earrings Display** Grid arrangement of colorful handmade polymer clay earrings on textured beige linen background. Each pair displayed on small white cards. Soft natural lighting highlights the colors and textures. Artisan craft fair display aesthetic with bright cheerful colors that pop against the neutral background. **17. Macrame Wall Hanging** Bohemian macrame wall hanging displayed on a clean white wall above a woven bench with throw pillows. Natural fiber textures throughout including cotton and jute. Pampas grass arrangement in a vase nearby. Warm afternoon light creates a boho interior styling with artisan handmade aesthetic. **18. Resin Coasters Set** Set of four ocean-themed resin coasters with gold leaf accents arranged on a marble coffee table. A wine glass sits on one coaster. Coffee table books stacked nearby create a luxury home decor aesthetic. Glossy reflective surfaces catch the light beautifully. --- ### Pet Products **19. Pet Bandana on Dog** Adorable golden retriever wearing a floral bandana, sitting in a sunny garden. Happy expression with tongue out. Blurred green foliage background creates natural outdoor setting. Pet lifestyle photography that is cute and highly shareable on social media. **20. Personalized Pet Bowl** Ceramic pet food bowl with custom name design sitting on light wood floor. Dry kibble scattered artistically around the bowl. Pet collar with tag nearby. Clean modern pet product photography with soft natural window light creating gentle shadows. --- ### Seasonal & Holiday **21. Christmas Ornament on Tree** Hand-painted ceramic Christmas ornament hanging on a lush green Christmas tree branch. Twinkling lights create soft bokeh in the background. Warm cozy holiday atmosphere with festive red and gold accents. Macro photography style showing the ornament detail against the greenery. **22. Halloween Decor Flat Lay** Spooky-chic Halloween decor flat lay with black candles, mini pumpkins, dried fall leaves, and a gothic-style art print arranged on dark wood surface. Moody candlelit atmosphere creates sophisticated Halloween aesthetic that is stylish rather than scary. --- ### Beauty & Self-Care **23. Skincare Products on Vanity** Luxury skincare product bottles and jars arranged on a marble vanity tray. Fresh eucalyptus sprigs add natural element. Soft morning light from a window creates gentle illumination. Fluffy white towel nearby suggests spa experience. High-end beauty photography with clean, fresh aesthetic. **24. Bath Bomb in Water** Artistic shot of a colorful bath bomb fizzing in milky water. Swirling colors and bubbles create visual interest. Rose petals floating on the surface. Steam rising creates atmosphere. Spa relaxation aesthetic captured in macro photography showing the fizzing texture and colors. --- ### Food & Kitchen **25. Custom Cutting Board Display** Personalized wooden cutting board with engraved family name displayed on kitchen counter. Fresh bread, cheese, and grapes arranged artfully around the

board. Warm kitchen lighting creates farmhouse entertaining aesthetic. Food styling photography that looks appetizing and gift-worthy. --- ## Usage Tips for FREE AI Engines ### ChatGPT (DALL-E 3) - Paste the full descriptive prompt - No need to remove anything â€” DALL-E ignores technical tags automatically - Add "photorealistic" or "professional photography" if you want more realistic results ### Google Gemini - Works best with clear, detailed descriptions - May interpret artistic direction differently â€” iterate if needed - Add "high quality" or "professional" for better results ### Microsoft Copilot (DALL-E 3) - Same as ChatGPT â€” paste full prompts - Free tier available with Microsoft account ### Leonardo AI (Free Tier) - These prompts work but you may want to add style keywords - Try adding "Photorealistic" or "Cinematic" in the style selector --- ## Pro Tips for Etsy Sellers 1. **Batch create** â€” Generate 5-10 variations of each mockup with different products 2. **Consistent style** â€” Use the same lighting/style across your shop for brand cohesion 3. **A/B test** â€” Try different mockup styles to see what converts best 4. **Seasonal updates** â€” Refresh mockups quarterly for holidays and trends 5. **Add your product** â€” Use photo editing tools to overlay your actual product onto the AI-generated scene --- ## What's Different About This Pack? | Feature | Free Engines Pack | Premium Engines Pack | |-----|-----|-----| | Aspect ratios | Described in words | Technical --ar tags | | Style parameters | Written descriptions | --stylize, --v values | | Best for | ChatGPT, Gemini, Copilot | Midjourney, DALL-E Pro, Leonardo | | Learning curve | Easier | More control | | Cost to use | FREE | Paid subscriptions | --- *Pack created for commercial use.
